Options

Select
"Composition"
option as
indicates the
following image.

The screenshot shows the ZINA TransferPrice web application interface. The top navigation bar includes 'Inbox', 'All OR', 'TP general report', and 'Tutorials'. The main content area displays 'OR name: TEL Colombia - Test Only_TEST -ZINA H'. Below this, a table lists various details: OR number, Process, Software, NE ID (up), SAP progress origin (Finland), License key activator name (ZINA TEST), License key activator email (usertest@nokia.com), Site ID (Test), SW/LK Validity (Months), Global CSP configuration unit(CU) ID (50975616), and Equipment type (HW). A blue box highlights the 'Composition' option in the 'Item proposal' menu. Another blue box highlights the 'Print order request' option in the same menu. The right sidebar shows the 'Actual status: TP requested to CFO' and a list of recent updates.

Save changes

Will appear "This action will modify ideal TP on the composition" alert, click on "Yes, update it!" orange button to save the changes or click on "No, cancel".

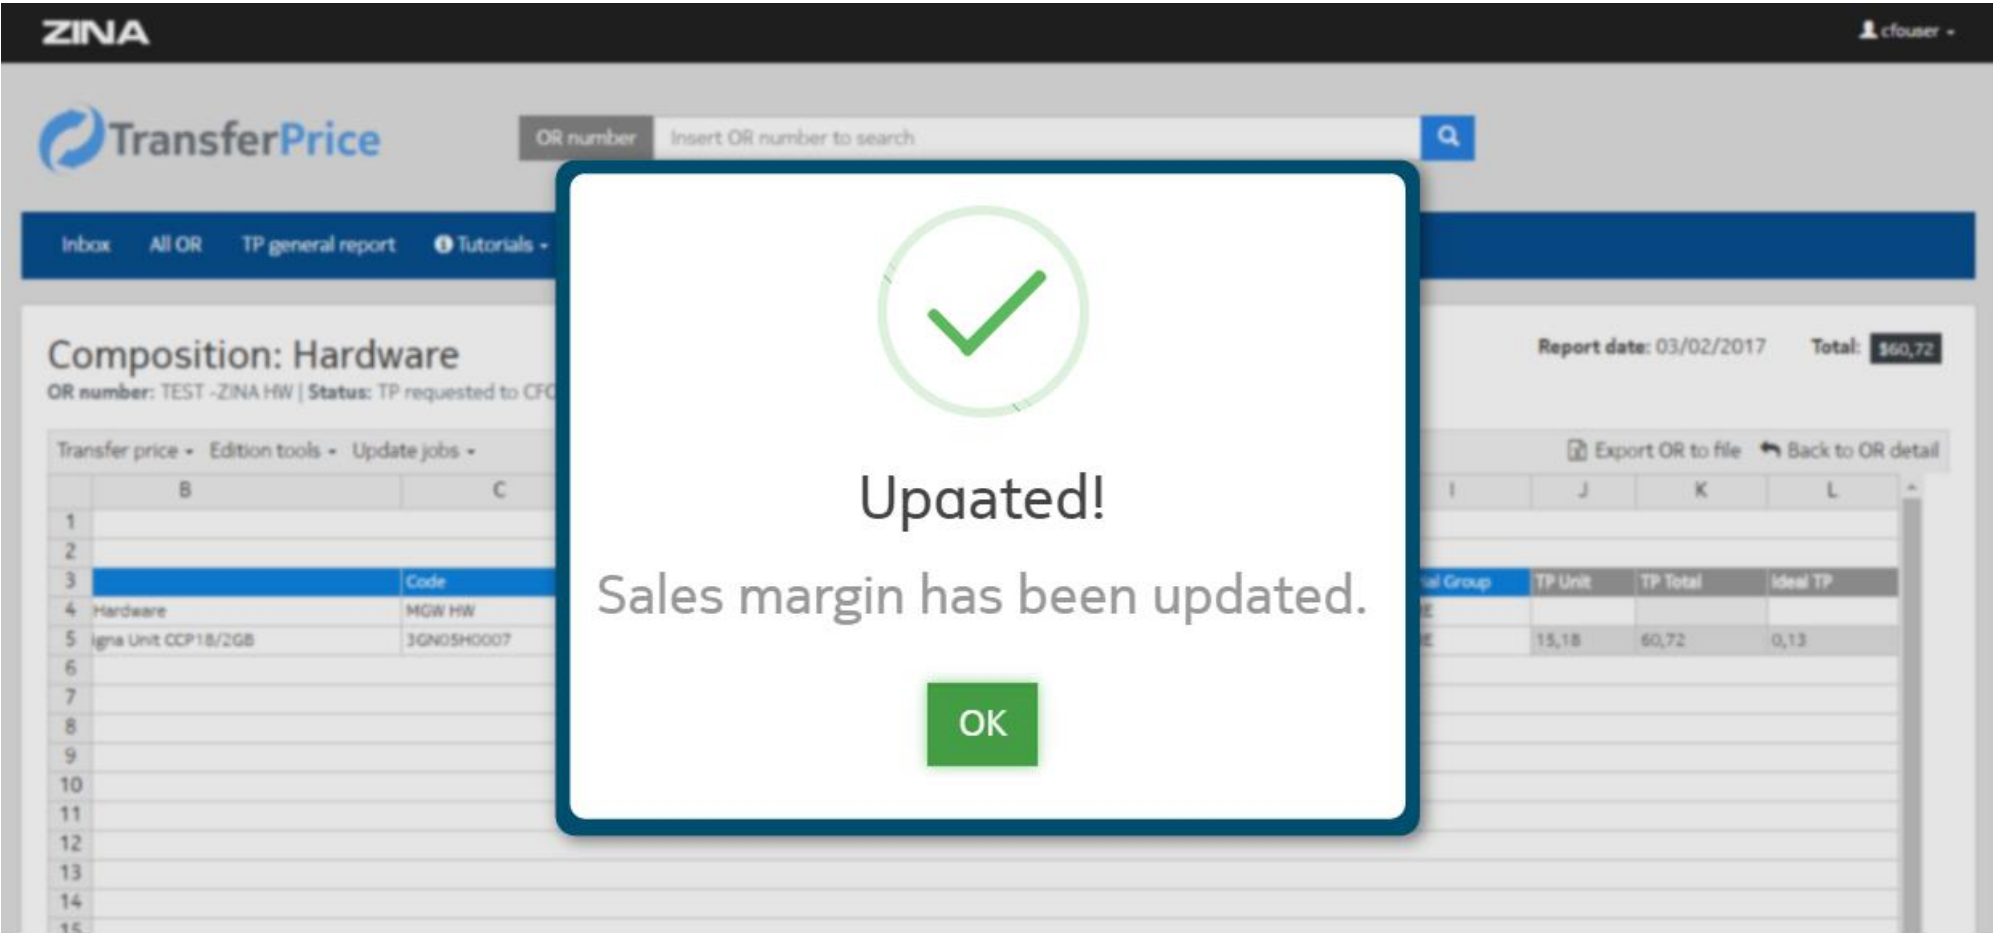

The screenshot shows the ZINA TransferPrice application interface. A central modal dialog with a blue border and a white background is displayed. At the top of the dialog is a large orange exclamation mark icon. Below the icon, the text reads: "Are you sure you want to change the sales margin value?" followed by "Sales margin will be updated. This action will modify the Ideal TP values on the composition." At the bottom of the dialog are two buttons: a dark grey button labeled "No, cancel!" and an orange button labeled "Yes, update it!".

In the background, the application interface is visible. The top bar shows the ZINA logo and the user name "cfouser". Below this is a navigation bar with "Inbox", "All OR", and "TP general report". The main content area shows a "Composition: Hardware" section with "OR number: TEST - ZINA HW" and "Status: TP rec". A table with columns "Unit", "TP Total", and "Ideal TP" is visible, showing a total of 60,72 and an ideal TP of 0,13. The table has rows for "Hardware" and "Signa Unit CCP18/2GB".

When sales margin option has been updated, an update alert shows, click on "OK" green button to close the modal.

When sales margin option has been updated, an new alert shows, click on "OK" green button to close the modal.

The screenshot displays the ZINA system interface. At the top, there's a header with the ZINA logo and a user profile icon labeled 'clouser'. Below the header, there's a search bar for 'OR Number' and a dropdown for 'Status' set to 'All'. A red 'Reset filter' button is on the right. The main content area shows a table of ORs with columns: OR TYPE, STATUS, DDP MEMBER, and ACTION. The table has 7 entries. A blue box highlights the 'ACTION' column, showing a detailed view of the actions available for each OR. The actions are: 'Send to DDP' (Send the OR to the DDP user to modify the DDP information and the item proposal.) and 'Return to logistics' (This option allows the import process to continue.). A red box highlights the 'ACTION' column header in the table, and a red box highlights the 'ACTION' column header in the detailed view. A red box also highlights the 'TP requested to CFO' option in the 'ACTION' column of the table.

ACTION	DESCRIPTION
Send to DDP	Send the OR to the DDP user to modify the DDP information and the item proposal.
Return to logistics	This option allows the import process to continue.
