User's guide

DDP – Extra Columns

Take

ZINA

1. Choose "Accept" option to indicate that someone is working with the OR already.
2. Choose "Release" option to release the OR to another DDP member, as shown in the following image.
3. Select the "OR number" to enter the detail of the "OR"

The screenshot shows the ZINA TransferPrice DDP Inbox (order request) interface. The interface includes a search bar for OR number, filters for OR Number, Status, Priority, and Show OR, and a table of order requests. The table has columns for OR NUMBER, CUSTOMER TEAM, OWNER, CREATION DATE, OR TYPE, STATUS, DDP MEMBER, ACTION, and PRIORITY. The 'testexception' row is highlighted. Callout 1 points to the 'Accept' option in the 'Taken' dropdown menu. Callout 2 points to the 'Release' option in the 'Taken' dropdown menu. Callout 3 points to the 'testexception' row in the table.

There are no comments on this order request yet!

- 1. Display the black option "Work in progress".
- 2. To finish the DDP process you must select an option from the "Work in progress" menu, so keep in mind the box shown in the image.

ACTION	DESCRIPTION
Send to CFO	Send to the financial department o make review or approval of the calculation in exceptional cases.
Return to logistics	This option allows the import process to continue.
ALC Reprocessing	In the case of incorrect information or adjusting an existing OR.
On Hold	This option should be activated when there are doubts about an OR that can not be clarified at the moment, so the process is paused until the correct information is obtained.
Release	Allows you to release the OR for another DDP user who wants to be responsible.
